We are excited to announce the addition of three Pediatricians to our clinical staff in the Pediatrics & Adolescent Health Department at Neponset Health Center.

Betty Kearse, MD, Cathie Kumar, MD and Dianne M. Morris, MD joined the pediatrics' staff at Neponset Health Center.

Dr. Kumar and Dr. Morris are Board-certified in Pediatrics while Dr. Kearse is Board – eligible. Dr. Kearse has clinical interest in general and developmental pediatrics. She received her medical degree from Case Western Reserve University School of Medicine. She completed her internship, residency and clinical fellowship at Children's Hospital Medical Center of Boston. Her community work includes Board appointments at the May Institute, From Roots to Wings and Head Start. Dr. Kearse has been a traveling physician to China with the Wide Horizons for Children since 2000.

Dr. Kumar has clinical interest in pediatric primary care. She received her medical degree from State University of New York, Stony Brook Medical School. She completed her internship and residency in pediatrics at the Schneider Children's Hospital / Long Island Jewish Medical Center in NY. She is fluent in Spanish.

Dr. Morris has clinical interest in pediatric primary care. She received her medical degree from University of Massachusetts Medical School in Worcester. She completed her internship and residency in pediatrics at Boston Medical Center. Dr. Morris has worked as a staff pediatrician at Caritas Carney Hospital. Also, she has extensive work experience in pediatric community health.

Dr. Kearse, Dr. Kumar and Dr. Morris have offices at the Department of Pediatrics and Adolescent Health at the Neponset Health Center. They accept new patients and can be reached at (617) 282-3200.

Neponset Health Center is a primary and preventative care provider. Neponset Health Center is owned and operated by Harbor Health Services Inc., which manages the first community health center founded in the United States.
