Please contact Julie Richer to become a collection site for the Great Brush Out sponsored by Harbor Community Health Center, Plymouth.

Many children on the South Shore do not have their own toothbrush and must share with other family members. Please donate children’s toothbrushes to our annual drive to help improve the dental health of our neighbors in need.

Harbor Health Services, Inc. is a nonprofit, public health agency committed to providing quality, comprehensive health care in urban Boston neighborhoods, the South Shore and Cape Cod communities. We provide a wide network of healthcare services to meet the needs of our patients. Harbor Health owns and operates four community health centers: Geiger Gibson Community Health Center, Harbor Community Health Center-Hyannis, Harbor Community Health Center-Plymouth and Neponset Health Center. Combined, Harbor Health’s community health centers are the Medical Home for more than 26,000 patients and the “family dentist” to an additional 10,000 patients. The Elder Service Plan cares for more than 300 members and Women Infant Children Nutrition Program serves more than 3000 women and their children.
